TEACHERS COLLEGE
PENNSYLVANIA
1955

Dedication

We dedicate the Carontawan of 1955 to all who will make teaching their career.

It is our sincere hope that they will realize all the blessings that rightfully belong to those who devote their best efforts to the profession.

May all who enter the field of teaching from Mansfield State Teachers College be inspired in their life's work by the words of Dr. Leslie Pinckney Hill, a much respected visitor to our campus.

"The Teacher"

"Lord who am I to teach the way
To little children day by day
So prone myself to go astray?

"I teach them knowledge, but I know
How faint they flicker and how low
The candles of my knowledge glow.

"I teach them love for all mankind
And all God's creatures, but I find
My love comes lagging far behind.

"Lord, if their guide I still must be,
Oh, let the little children see
The teacher leaning hard on thee."

LESLIE PINCKNEY HILL

In Memoriam

JACK KELSEY

"And when the stream which overflowed the soul was passed away, a consciousness remained that it had left deposited upon the silent shore of memory, images and precious thoughts that shall not die, and cannot be destroyed."

Pennsylvania has been called the birthplace of the nation. From 1643, when the Swedes established the first settlement, Pennsylvania has played a major role in America's history. Here many famous events shaped the course of the nation's growth. Here is that historic soil to which, in 1682, William Penn brought his ideals which took root in the Quaker Colony and still dominate American thought.

On this soil, at Fort Necessity, in 1754, Washington fought his first battle. To Pennsylvania came the delegates of the 13 colonies to adopt the Declaration of Independence and, later, the Articles of Confederation and then, the Constitution of the United States. Not only was the nation born on Pennsylvania soil, but it was preserved here. At Gettysburg, the tide of the Confederacy's northward surge was stemmed, and the Union saved.

On Pennsylvania soil are the best known and best loved shrines of America — Independence Hall and the Liberty Bell in Philadelphia, Washington's camp grounds at Valley Forge, and the 1863 Battlefield at Gettysburg.

Rudyard Kipling in his poem, "All In Pennsylvania," pays the following tribute to our Keystone State:

"If you're off to Pennsylvania this morning
And wish to prove the truth of what I say,
I pledge my word you'll find the pleasant land behind
Unaltered since Red Jackets rode that way.

"Still the pine woods scent the noon, still the catbird sings his tune,
Still autumn sets the maple forest blazing,
Still the grapevine through the dusk flings her soul-compelling musk,
Still the fireflies in the corn make night amazing.

"They are there, there, there with earth immortal
(Citizens, I give you friendly warning.)
The things that truly last when men and times have passed,
They're all in Pennsylvania this morning!"

"Truth often suffers more by the heat of its defenders, than from the arguments of its opposers."

— WILLIAM PENN

"Have a care where there is more sail than ballast."

— WILLIAM PENN

"We are all travelers in the wilderness of this world, and the best that we find in our travels is an honest friend. He is fortunate voyager who finds many."

— ROBERT LOUIS STEVENSON

"We take for granted the beauty of the hills of Pennsylvania until we have been away from them for a period of time. On returning, we realize that we have missed their splendor."

We, the class of 1955, are ready to leave M.S.T.C. and greet the world. The horizons are dark, but we are prepared to help in brightening these horizons for those with whom we work. Through the powers of education, we will do this, each according to his own ability. Here, at M.S.T.C., we have gained the tools, the knowledge, the friends and the experience to make our journey on the road to life easier.

So we say thanks to all who have guided us and helped us in any way. To Mansfield State Teachers College we say, "So long" and not "Good-bye."

As we entered our respective dormitories on September 6, 1954, we began to undertake the adjustment to a new way of life, that of a college student.

Initiation, complete with large signs and dinks, was administered to us in a constructive manner by the sophomore class. We derived many benefits from this phase of our year and we found ourselves on our way to maturity.

Throughout this year, we received assistance from our class advisors, our instructors, and upperclassmen. We extend our heartfelt thanks to everyone who aided our orientation to college life.

Nurses

Mansfield State Teachers College is not only proved to have a large student body preparing for the teaching profession, but it is also honored by having a part in the training of the nurses who come to us from the Robert Packer Hospital in Sayre, Pennsylvania, and from the Hahnemann School of Nursing in Scranton, Pennsylvania. Their training on our campus consists of fifteen weeks of study in both academic and nursing subjects. Mansfield looks forward to the arrival of the Robert Packer and Hahnemann nurses.

One of the major publications on our campus is the student newspaper, the Flashlight. The distribution of this publication is greatly anticipated by the student body.

The purposes of the Flashlight are to promote interest in college activities, to develop school spirit and co-operation among the student body, and to develop initiative and skill in writing.

This year there has been close harmony among the members of the staff, and the utmost co-operation on the part of the staff. Throughout the year the staff members have been working hard toward their ultimate goal—the successful college newspaper.

College Players

College Players is a vital part of our campus life as it offers to us a medium of self expression, whether it be through the vigorous efficiency of the backstage staff, or the direct approach of the acting group.

The organization promotes friendliness and cooperation, and all talents in the field of stage production are recognized.

The Art Club is an honorary organization for those students who have attained an "A" in one semester of art. The club is affiliated with the Eastern Arts Association which is an active national organization. It is from this association that many new ideas are conceived and incorporated into club meetings.

Several projects that were undertaken by the Art Club during the course of the year were the campus decorations for the Christmas holiday season and the Mardi Gras Dance.

The Association for Childhood Education International is an organization with membership open to the faculty and to students of the Elementary Department. The ideals of the organization are to promote the well-being and education of children and to encourage the professional growth of teachers and leaders in the field. The monthly meetings are designed to foster good fellowship among the members, to discuss topics of common interest, and to help the members to become better teachers.

The purpose of the Geography Club is to further professional and social contacts in the field of geography. Among other activities during the year, movies are shown, debates are held, and lectures are presented at the monthly meetings.

Active membership is open to those students who are either majoring or minoring in geography. These students must have at least a 1.0 scholastic average and must have completed the beginning course in geography.

Associate membership is open to students in other fields of study who have completed one course in geography with a 2.0 average and who have an overall scholastic average of at least 1.5. They must be voted upon by the existing members.

Organized in the fall of 1921 by an M.S.T.C. student, who suggested that all varsity men form an organization, the "M" Club is still functioning as one of the leading organizations on campus. This organization is composed of men who have earned a varsity letter in one or more intercollegiate sports. Its purposes are to encourage a high standard of personal conduct on the part of the members and to maintain friendly athletic relationships with other higher educational institutions.

The Women's Athletic Association, directed by Mrs. Helen Lutes, enjoys the recognition of being the most active club on campus. Membership in the association is open to any woman student interested in athletic competition.

Throughout the course of the school year, the W.A.A. sponsors such events as intramural basketball, tennis, and volleyball tournaments. In addition to athletic events, the association also sponsors social events, such as the Tioga County Christmas party, the Freshman hot dog roast, and the spring picnic.

Our organization and its activities are centered around the strongest bond known to man—a belief in God. As Christians, we strive to do our best for our fellowmen and God.

In November, our campus eagerly awaits the coming of Religion In Life Week. Speakers journey for miles to inspire us and to help us to live more nearly as Christians should live. It is our duty and privilege to foster and maintain the ideas, inspiration and awareness of God aroused by Religion In Life Week.

Cheerleaders

In addition to the sports world at M.S.T.C., we have a group of peppy girls who add a great deal to our school spirit. They keep the spirits high at depressing moments as well as victorious ones. The task isn't easy. Many long hours are spent in preparing the squad for pep rallies and games. Their enthusiasm and pep comes from their hearts in the form of cheers.

The goal of inspiring the student body with school spirit has been met. Congratulations, girls.

The Student Council is the governmental body of Mansfield State Teachers College. The student body elects fourteen students to be its representatives and to carry on the business of the Student Government Association. These fourteen who serve on the Student Council are the presidents of the classes and of the major organizations. There are four officers who are elected by the student body. It is the council's duty to plan the social calendar, to publish the Password guidebook, to acquaint the student body with college problems, and to act as an intermediary group between students and administration.

Day Students' Club

The Day Students' Organization attempts to maintain goodwill and co-operation between on-campus and off-campus students. The club carries out a calendar of scheduled events each year. During the 1954-55 school year the Day Students' Club presented an assembly, held a picnic, and promoted many college activities. The highlight of the club's activity was a well-attended square dance.

Phi Sigma Pi is a national honorary fraternity for men in teacher training institutions. Founded on a basis of superior scholarship, the fraternity's primary purpose is the advancement of educational ideals. It also exists to meet the needs of close fellowship and social intercourse among men of like ideals, interested in the same, and striving for a higher social expression.

Beta Omicron, the Mansfield chapter of Phi Mu Alpha Sinfonia, is one of the most active fraternities on the campus. It presents various worthwhile musical programs for college students and faculty. The aims of this national music fraternity are to advance the cause of music in America, to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members, and to encourage loyalty to the Alma Mater.

Omicron Gamma Pi, affiliated with the National American Home Economics Association, is a campus organization open to all Home Economics students at Mansfield State Teachers College. Its purpose is to stimulate extracurricular activities in the field through meetings, speakers, special events, and fashion shows. The club activities are planned to present a challenge to develop skills and interest in the field of Home Economics.

Kappa Omicron Phi is a National Honorary Sorority. The aim of Kappa Omicron Phi is to further interests in the home, to broaden social and cultural attainments, and to develop women with higher ideals, intellectually and spiritually. The requirements for eligibility are the completion or enrollment in 15 semester hours of Home Economics work, and the maintenance of a 2.0 average.

Lambda Mu is the honorary music sorority on campus. To be eligible for membership, a girl must be either a second semester sophomore or an upperclassman who has attained outstanding academic and music accomplishments and who has proven herself worthy of becoming a member.

The purposes of Lambda Mu are to foster music and musical interests, to offer opportunity and encouragement for individual development of talents and interest in music, and to maintain high scholastic and professional standards.

Sigma Zeta is a national honorary science society. Active membership is restricted to Juniors and Seniors possessing high ideals and scholarship. Freshmen and Sophomores, whose scientific work indicate promise of development, are eligible for associate membership.

The objectives of Sigma Zeta are the encouragement and the recognition of high standards of scholarships and achievement among undergraduate college students in science and in mathematics. Some of the activities engaged in by Lambda Chapter are field trips, lectures by eminent persons connected with science, and picnics.

The president, the deans of students, the departmental heads, and the students appointed by the Student Council had a hard task when it came time to choose the candidates for Who's Who. The total enrollment of the college determines the number to be elected. Qualifications are excellence and sincerity in scholarship, leadership, participation in extracurricular activities, citizenship, service to the school, and promise of future usefulness to their profession and to society. We can bestow no higher honor on our outstanding men and women.

Athletics

The students at Mansfield have the opportunity to partake of a vast athletic program. Great stress is placed on fair play and sportsmanship as highly desirable qualities in the constitution of future teachers of America.

An intercollegiate schedule of football, basketball, and baseball games is maintained by the college and controlled by the Athletic Council. Mr. Edward Rushin is head coach of the three intercollegiate sports.

Mrs. Helen Lutes and Mr. Marion Decker serve as directors of women's and men's sports respectively. The women are offered a variety of sports including tennis, volleyball, basketball, badminton, softball, table tennis, and bowling.

The men of Mansfield have ample opportunity to participate in an intramural program which includes softball, basketball, tennis, ping pong, billiards, and bowling.

Participation in the various activities is urged and encouraged.

Football

Mansfield's 1954 football team had a record of two wins, four losses, and one tie. The Mounts suffered consecutive losses at the hands of Bloomsburg S.T.C. (28-0), King's College (20-6), and East Stroudsburg S.T.C. (28-0). On the night following the East Stroudsburg game, Coach Ed Rushin received serious injury and was confined to the hospital. With Mr. Decker at the helm, the team vowed to salvage the season for Coach Rushin.

In the following weeks they humbled Kutztown (30-6), lost to Edinboro S.T.C. (21-0), tied Lock Haven S.T.C. (6-6), and ended the season by crushing Millersville S.T.C. (42-7).

The Mounts upheld the honor of Mansfield by their exhibition of fine spirit and sportsmanlike football.

Faced with a tough eighteen game schedule, Mr. Besanceney, instructor at Mansfield High School, coached the team in the absence of coach "Ed" Rushin.

The Mounts, with the veteran five returning from last season, displayed plenty of strength in the first four games. They won two and lost two, and showed promise of compiling an impressive record. The team had good reserve strength with a few bright new prospects.

Co-Captains for this season were Joe Linkoski and Don Williams.

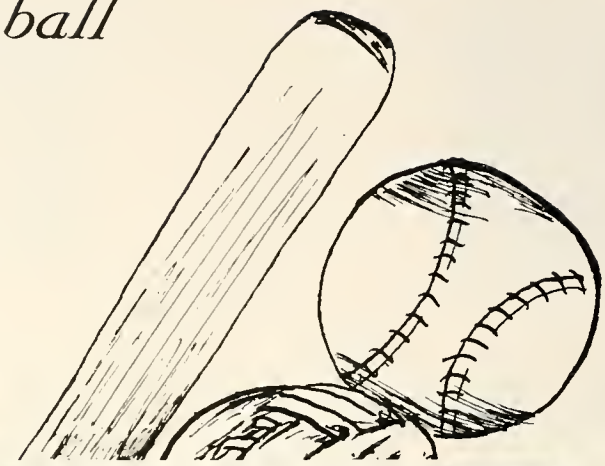
Baseball



Coach Ed Rushin and Assistant Coach Decker were faced with a tough ten game schedule for the 1954 baseball season. Mansfield opened the season by losing their first game at Bloomsburg (15-2). In their first home game M.S.T.C. defeated Lycoming College (4-2). The "Mounts" lost their next two away games to Seranton U. (5-0) and to Lock Haven S.T.C. (3-1). The fifth game of the schedule with Cortland S.T.C. was cancelled because of rain. On a return game Mansfield downed the Bloomsburg Huskies (8-5) at Smythe Park. The "Mounts" then traveled to Lycoming College to take a 4-2 loss. Having lost to Lock Haven S.T.C. in their first meeting, Mansfield came back to score a 4-2 home game victory. The season ended in two losses for M.S.T.C.—at home, Cortland S.T.C. 9, Mansfield 2, and an away game, Ithaca College 22, Mansfield 5.

May Day

May Day on the Mansfield campus is a truly beautiful event. The queen and her court are nine senior girls chosen by the student body. In their colorful gowns, they present a charming picture representing Mansfield's outstanding women and the teaching profession. The qualifications on which the choice is based are personality, attractiveness, extra-curricular participation, and academic rating.

Left to right: Louise Pier, Imogene Harmon, Doris Weaver, Doris Thompson, Queen Marsha Earley, Patricia Fieg, Diane Kirby, Joanne Wilcox, Dorothy McCabe.

Religion—in

Religion-in-life week is now one of our new traditions on campus. This past year has shown how successful such a project can be. Throughout the week there were speakers, discussions, and private conferences.
